Dear Ms. Schwippl:

**Re: Westario Power Inc.  
Delay in Filing 2024 Cost of Service Application  
Ontario Energy Board File Number: EB-2023-0058**

This letter is in response to your letter dated April 26, 2023, informing the Ontario Energy Board (OEB) of a delay in the filing of Westario's 2024 cost of service application from April 28, 2023, to July 2023.

Per the OEB's letter dated [December 1, 2022](#), that provided the schedule for the filing of 2024 cost of service applications, Westario's application was expected to be filed with the OEB by April 28, 2023. Please be advised that delays to the filing of Westario's application could affect the timing of the OEB's final decision in this matter and the implementation of rates on January 1, 2024.

Any questions regarding this matter should be directed to [Darryl Seal](#), Manager, Major Rate Applications and Consolidations.

Yours truly,

Nancy Marconi
