Dear Mr. Poulin:

**Re: Hydro Hawkesbury Inc.  
Delay in Filing 202 Cost of Service Application  
Ontario Energy Board File Number: EB-2023-0029**

This letter is in response to your letter dated May 2, 2023, informing the Ontario Energy Board (OEB) of a delay in the filing of Hydro Hawkesbury's 2024 cost of service application from April 28, 2023, to on or before July 31, 2023.

Per the OEB's letter dated [December 1, 2022](#), that provided the schedule for the filing of 2024 cost of service applications, Hydro Hawkesbury's application was expected to be filed with the OEB by April 28, 2023. While the OEB appreciates the challenges identified by Hydro Hawkesbury in preparing its application, please be advised that any delays to the filing of Hydro Hawkesbury's application could affect the timing of the OEB's final decision in this matter and the implementation of rates on January 1, 2024.

Any questions regarding this matter should be directed to [Darryl Seal](#), Manager, Major Rate Applications and Consolidations.

Yours truly,

Nancy Marconi  
Registrar
