Dear Mr. Glen McAllister:

**Re: InnPower Corporation  
Delay in Filing 2024 Cost of Service Application  
Ontario Energy Board File Number: EB-2023-0033**

This letter is in response to your letter dated April 24, 2023, informing the Ontario Energy Board (OEB) of a delay in the filing of InnPower's 2024 cost of service application from April 28, 2023, to May 12, 2023.

Per the OEB's letter dated [December 1, 2022](#), that provided the schedule for the filing of 2024 cost of service applications, InnPower's application was expected to be filed with the OEB by April 28, 2023. While the OEB appreciates the work to date by InnPower in preparing its application, please be advised that any delays to the filing of InnPower's application could affect the timing of the OEB's final decision in this matter.

Any questions regarding this matter should be directed to [Darryl Seal](#), Manager, Major Rate Applications and Consolidations.

Yours truly,

Nancy Marconi  
Registrar
