Dear Ms. Robertson:

**Re: Synergy North Corporation (Synergy North)  
Application for the Disposal of Accounts 1588 and 1589  
OEB File Number: EB-2023-0106**

The Ontario Energy Board (OEB) received a request on May 3, 2023, from Synergy North for an extension to the date for filing its responses to interrogatories from May 3, 2022, to May 8, 2023.

Synergy North advised that the timing of meeting the RRR reporting deadlines and preparing responses to interrogatory questions concurrently has led to requesting the extension for filing its interrogatory responses.

The OEB grants the extension. Synergy North shall file its responses to interrogatory questions by May 8, 2023. The remaining dates set out in the Notice of Hearing and Procedural Order No. 1 remain unchanged.

Yours truly,

Nancy Marconi  
Registrar
