Dear Ms. Marconi:

Re: EB-2022-0318 – IESO 2023-2025 Revenue Requirements Application

We are retained to act as counsel to the Power Workers' Union (PWU). We are responding to the Board's Notice regarding the Application.

By way of this letter, PWU requests an indulgence for its inadvertent failure to file this letter by April 28. The PWU is requesting intervenor status in the Board's proceedings with respect to the above-noted application. As the Board is aware, the PWU represents a large portion of the employees working in Ontario's electricity industry, including those of the Applicant.

The PWU intends to be a full-time intervenor and will participate in all aspects of the hearing. The PWU's concern is with the financial viability of the utilities, and whether the proposed rates and charges will permit the utilities to undertake the work necessary to ensure the safe and reliable operation of the facilities used to serve the affected customers.

The PWU has retained Daniel Rosenbluth of Paliare Roland for legal representation and Bayu Kidane of Econalysis Consulting Services as consultants in this proceeding. Please provide copies of all communications with regard to the PWU's participation to:

In addition to electronic copies of evidence and communications, please provide one hard copy of the Application and any other supporting materials to Bayu Kidane, and one hard copy to counsel, Daniel Rosenbluth.

The PWU will not be seeking costs in respect of this proceeding.

Yours very truly,
Paliare Roland Rosenberg Rothstein LLP
