**Re: Reply to Request for Further IR Responses
Ontario Power Generation Inc.
Request for an Accounting Order Establishing a Variance Account to
Capture the Nuclear Revenue Requirement Impact of the Overturning of
Bill 124
OEB File Number: EB-2023-0098**

The School Energy Coalition (SEC) and the Canadian Manufacturers and Exporters (CME) filed a letter with the OEB on May 9, 2023 requesting the OEB to require Ontario Power Generation (OPG) to provide further information on two topics addressed in OPG's interrogatory responses which were filed on May 4, 2023.

OPG filed a reply letter on May 12, 2023, which provided further information in response to SEC and CME's request.

The OEB has reviewed OPG's reply letter and is satisfied that the information provided by OPG is adequate.

The OEB will not establish additional procedural steps related to OPG's reply letter - the schedule established through Procedural Order No. 1, dated March 22, 2023, remains unchanged. For clarity, as a next step, any written submissions by OEB staff and intervenors shall be filed with the OEB and served on OPG and all other parties by May 19, 2023.
