Subsequent to Enbridge Gas's filing of JT1.7 on May 5, 2023, Schools Energy Coalition requested that it be provided with Excel versions of the non-redacted columns of the AGA data provided in the response to JT1.7. Enclosed please find the requested spreadsheets. As noted in the Enbridge Gas letter of May 5, 2023, the OEB has approved the filing of the response to JT1.7 pursuant to the Practice Direction on Confidential Filings. Please note that this refiling of parts of the earlier filing is subject to the same confidential treatment.

Should you have any questions, please let us know.

Sincerely,
