

Entegrus Powerlines Inc.

**Application to Amend Schedule 1 of an Electricity
Distributor Licence**

**DECISION ON CONFIDENTIALITY - SUPPLEMENTARY EVIDENCE
May 26, 2023**

Entegrus Powerlines Inc. (Entegrus Powerlines) applied to the Ontario Energy Board (OEB) on October 17, 2022, under section 74 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), to amend its licensed service area, as described in Schedule 1 of its distribution licence ED-2002-0563, to include the property and industrial customer located at 1 Cosma Court, St. Thomas, ON.

The customer, Formet Industries, a division of Magna International Inc. (Formet Industries) is currently served by Hydro One Networks Inc. (Hydro One). In a letter to the OEB dated April 3, 2023, Hydro One stated that it contests Entegrus Powerlines' application.

In Procedural Order No. 3, issued on May 5, 2023, the OEB scheduled a deadline of May 12, 2023, for Entegrus Powerlines to submit supplementary evidence to the OEB. The OEB also scheduled a deadline of May 19, 2023, for Hydro One and Formet to submit supplementary evidence to the OEB. An updated procedural schedule was outlined in the Order section of Procedural Order No. 3.

Entegrus Powerlines filed its supplementary evidence with the OEB on May 12, 2023. Both Hydro One and Formet Industries filed their supplementary evidence with the OEB on May 19, 2023. Each of Entegrus Powerlines, Hydro One and Formet Industries requested confidential treatment of certain information contained in their evidence. In accordance with the OEB's [*Practice Direction on Confidential Filings*](#) (Practice Direction), each of Entegrus Powerlines, Hydro One and Formet Industries filed redacted copies of the documents on the public record, and filed unredacted copies of the documents separately, in confidence.

Entegrus Powerlines Inc. Supplementary Evidence Confidentiality Request

By letter dated May 12, 2023, Entegrus Powerlines requested confidential treatment of certain information contained in seven sections of its supplementary evidence and one

attachment that pertains to the customer's load profile, energy use and billing information.

Findings

The OEB finds that the redacted information described in Entegrus Powerlines' letter, dated May 12, 2023, is confidential in accordance with OEB's Practice Direction. The redactions contain information that would disclose load profiles, energy usage and billing information of a specific customer that is not personal information. This type of information is among the categories described in the Practice Direction as "presumptively confidential".

This information shall remain redacted from the public record. The OEB will allow individuals representing Hydro One and Formet Industries to access the information once they sign the OEB's form of Declaration and Undertaking appended to the Practice Direction. As with confidential information filed by any other party to this proceeding, the OEB expects Entegrus Powerlines to advise the OEB should it object to the provision of the unredacted information to one or more specific individuals, and the OEB will then make a determination in that regard.

Formet Industries Supplementary Evidence Confidentiality Request

By letter dated May 19, 2023, Formet Industries' requested confidential treatment of certain information contained in its supplementary evidence that pertains to its load profile.

Findings

The OEB finds that the redacted information described in Formet Industries' letter, dated May 19, 2023, is confidential in accordance with OEB's Practice Direction. The redactions contain information that would disclose load profiles, and energy usage of a specific customer that is not personal information. This type of information is among the categories described in the Practice Direction as "presumptively confidential".

This information shall remain redacted from the public record. The OEB will allow individuals representing Entegrus Powerlines and Hydro One to access the information once they sign the OEB's form of Declaration and Undertaking appended to the Practice Direction. As with confidential information filed by any other party to this proceeding, the OEB expects Formet Industries to advise the OEB should it object to the provision of the unredacted information to one or more specific individuals, and the OEB will then make a determination in that regard.

Hydro One Supplementary Evidence Confidentiality Request

By letter dated May 19, 2023, Hydro One requested confidential treatment of certain information contained in pages 2-4 of its supplementary evidence that pertains to the customer's load profile.

Findings

The OEB finds that the redacted information described in Hydro One's letter, dated May 19, 2023, is confidential in accordance with OEB's Practice Direction. The redactions contain information that would disclose load profiles, and energy usage of a specific customer that is not personal information. This type of information is among the categories described in the Practice Direction as "presumptively confidential".

This information shall remain redacted from the public record. The OEB will allow individuals representing Entegrus Powerlines and Formet Industries to access the information once they sign the OEB's form of Declaration and Undertaking appended to the Practice Direction. As with confidential information filed by any other party to this proceeding, the OEB expects Hydro One to advise the OEB should it object to the provision of the unredacted information to one or more specific individuals, and the OEB will then make a determination in that regard.
