Good day,

Re the additional charge to added to my hydro bill each month (\$3.08) re the newspaper notice for EB-2014-3070, which line on my monthly bill will it be added to and will it be noted as to what the charge is, and how long it will be in effect. Or will as a part of my total hydro bill for an unspecified time?

I am a Hydro Ottawa customer and receive my bill monthly .

Thank you for your prompt reply and may all your meetings go swinm=mingly....
