Cost Awards:

Pollution Probe respectfully requests your acceptance of this request to participate and confirmation that it will be eligible for its costs.

Pollution Probe is a not-for-profit charitable organization. We receive individual donations as well as funding for consumer and research projects, such as on community energy planning, and regulated utility innovation from a variety of public and private sources. Without the prospect of an award of costs, Pollution Probe's ability to participate in the consultation process would not be possible.
