Dear Ms. Walli:

Re: EB-2007-0598 – Submission re Confidential Status

I am writing on behalf of my client, the London Property Management Association (“LPMA”), pursuant to paragraph 2 of Procedural Order No. 2, dated June 22, 2007. My client has no objection to confidential status being attached to Union’s response to Interrogatory No. 4 from the LPMA.

I have reviewed Mr. Thompson’s letter on behalf of his client, the Industrial Gas Users Association, on this subject and support his submissions.

The LPMA may have additional interrogatories for Union that arise out of the response to LPMA Interrogatory No. 4. As such, I request that the Board establish a process for the submission and response to these questions on a confidential basis. Given the tight timelines involved and the upcoming long weekend, a response from the Board as soon as possible would be appreciated. The additional LPMA interrogatories will be ready for submission to Union by the end of tomorrow, June 28.

Sincerely,

Randy Aiken
