Dear Mr. Stiers:

**Re: Union Gas Limited
2018 Cap and Trade Compliance Plan
OEB File Number EB-2017-0255**

The Ontario Energy Board (OEB), in a letter dated December 14, 2017 to Union Gas Limited (Union Gas), identified areas of the pre-filed evidence that OEB staff viewed as information that could be placed on the public record. Union Gas was required to respond accordingly by January 3, 2018.

In a letter dated December 21, 2017, Union Gas requested an extension to file an update to the redactions in the public version of its evidence by January 8, 2018.

The OEB grants Union Gas an extension to file the updated public version of its evidence by January 8, 2018.

Yours truly,

Kristi Sebalj
