**Re: EB-2007-0864 Newbury Power Inc. 2008 Incentive Rate Mechanism Application**

Dear Ms. Walli:

In addition to the 2008 Incentive Rate Mechanism Application the Board had direct the Distributors by letter (Distributor Retail Transmission Rates, EB-2007-0759) to analyse their Transmission Rate to submit the change in rates in their application or as a separate submission. At the time of Newbury Power Inc. 2008 IRM Model submission we had indicated that we would provide our recommendation within 30 days of the submission. In the preliminary analysis of the Transmission Rates there is minimum change therefore, we recommend that the current Transmission rate not change, we will continue to monitor the Transmission account.

Should there be any questions, please contact me at the number below
