**RE: Enbridge Gas Inc. (Enbridge Gas)
2024 Rebasing Application
Ontario Energy Board File Number: EB-2022-0200**

In a letter dated June 7, 2023, OEB staff provided an update on settlement discussions between the applicant and the intervenors (collective, the parties). The letter conveyed the settlement conference facilitator's suggestion that the parties could benefit from further discussions until June 9, 2023.

The OEB approves the suggested extension. The settlement conference will be extended by an additional two days, until June 9, 2023. OEB staff shall file a letter no later than June 9, 2023, informing the OEB of the status of the settlement discussions including whether a tentative agreement has been reached or if the parties propose to further continue the settlement discussions.

Yours truly,

Nancy Marconi
Registrar
