Dear Ms. Marconi:

**Re: Enbridge Gas Inc. 2024 Rebasing Application
Status of Settlement Discussions
Ontario Energy Board (OEB) File No. EB-2022-0200**

By letter dated June 7, 2023, OEB staff shared Mr. Ken Rosenberg's (the settlement conference facilitator) suggestion that parties would benefit from an extension of settlement conference discussions for an additional two days, that is, until June 9, 2023.

The OEB approved the suggested extension on June 7, 2023, and directed OEB staff to file a letter no later than June 9, 2023, informing the OEB of the status of the settlement discussions including whether a tentative agreement has been reached or if the parties propose to further continue the settlement discussions.

Mr. Rosenberg has advised OEB staff that the settlement conference has ended, and the parties have agreed in principle to a partial settlement.

Yours truly,

Khalil Viraney
