Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Consultation on Issues Relating to Low Income Consumers
Stakeholder Conference Participation
Board File No. EB-2008-0150**

Further to the Board's letter of August 11, 2008, it is the intention of Union Gas Limited to make a presentation at the stakeholder conference scheduled to commence on September 22, 2008.

While we are still finalizing the topics our presentation will address, it is likely that our presentation will cover, to some degree, all of the topics outlined in the Board's draft issues list. In particular, our presentation will address programs currently offered by Union to address the needs of low income energy consumers as well as programs proposed to be offered in the near term.

Should you have any questions, please do not hesitate to contact me.

Yours truly,
