Dear Ms. Walli:

Re: Consultation on Issues Relating to Low Income Consumers
Board File No.: EB-2008-0150

The Ontario Power Authority ("OPA") is writing the Ontario Energy Board (the "Board") to express its interest in participating in the Stakeholder Conference scheduled for September 22, 2008. The OPA would welcome the opportunity to make a presentation which would describe its Conservation programs targeted to the low income sector and their related educational components, as well as similar programs in other jurisdictions. These submissions are directly related to items 2) and 9) on the Board's List of Issues and Questions for Discussion at the Stakeholder Conference, dated August 8, 2008.

Please provide a copy of all relevant communications to my attention at the address above or by email at miriam.heinz@powerauthority.on.ca.

Yours truly,

(original signed)
