EB-2007-0857

NOTICE OF APPLICATION AND WRITTEN HEARING FOR AN ELECTRICITY DISTRIBUTION RATE CHANGE

Grimsby Power Incorporated

The Ontario Energy Board has received an application on October 30, 2007 under section 78 of the Ontario Energy Board Act, 1998, S.O. 1998, c. 15 (Schedule B), seeking approval for changes to the rates that Grimsby Power Incorporated charges for electricity distribution, to be effective May 1, 2008. The Board has assigned the application file number EB-2007-0857. The Board's decision on this application may have an effect on all of Grimsby Power Incorporated's customers.

Any change to the rates that Grimsby Power Incorporated charges for electricity distribution will be reflected in the delivery charges. Delivery charges are one of four regular items on residential and general service customers' electricity bills and vary depending on the amount of electricity consumed.

Grimsby Power Incorporated indicates that if the application is approved as filed, a residential customer consuming 1,000 kWh per month would experience an approximate 0.7% decrease in the electricity bill. A small general service customer consuming 2,000 kWh per month and having a monthly demand of 50 kW or lower would see an approximate 0.2% increase in the electricity bill.

How to see Grimsby Power Incorporated's Application

Copies of the application are available for inspection at the Board's office in Toronto and on its website, www.oeb.gov.on.ca, and at Grimsby Power Incorporated's office.

How to Participate in the Rate Proceeding

The Board intends to proceed with Grimsby Power Incorporated's rate change application by way of written hearing unless a party satisfies the Board that there is good reason for holding an oral hearing. If you object to a written hearing in this matter, you must provide written reasons why an oral hearing is necessary. Any objections to a written hearing must be received by the Board and copied to the applicant at the addresses below no later than December 5, 2007. The Board will not be awarding costs in this matter.

Anyone who wishes information and material from the applicant that is in addition to the evidence filed with the Board and that is relevant to the hearing, shall request it by written interrogatories filed with the Board and delivered to the applicant on or before December 19, 2007. The applicant shall file with the Board complete responses to the interrogatories and deliver them to all parties who asked interrogatories no later than January 7, 2008.

Anyone who wishes to make a submission on the application must file that written submission with the Board and deliver it to the applicant by January 21, 2008. If the applicant wishes to respond to the submission(s), the written response must be filed with the Board and delivered to all parties who made submissions by February 4, 2008.

How to File Documents with the Board

If you already have a user ID, please submit your interrogatories or submission through the Board's web portal at www.errr.oeb.gov.on.ca. Additionally, two paper copies are required. For instructions on how to file and naming conventions, please refer to the RESS Document Guidelines found at www.oeb.gov.on.ca, e-Filing Services. Those who do not have internet access are asked to submit their interrogatories or submission on a CD or diskette in PDF format, along with two paper copies. You may also send your submission by post or e-mail to the addresses below.

In responding to this Notice, please include Board file number EB-2007-0857 in the subject line of your e-mail or at the top of your document. It is also important that you provide your name, postal address and telephone number and, if available, an e-mail address and fax number. All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.

Need More Information?

Further information on how to participate may be obtained by visiting the Board's website at www.oeb.gov.on.ca or by calling our Consumer Relations Centre at 1-877-632-2727.

IMPORTANT

IF YOU DO NOT FILE AN OBJECTION TO A WRITTEN HEARING OR DO NOT PARTICIPATE IN THE PROCEEDING IN ACCORDANCE WITH THIS NOTICE, THE BOARD MAY PROCEED IN YOUR ABSENCE AND YOU WILL NOT BE ENTITLED TO FURTHER NOTICE IN THIS PROCEEDING.

Fire calls up 50 per cent in West Lincoln

TERRY McNAMEE
Staff Reporter

Fire calls in West Lincoln are up substantially in the 2006-07 fiscal year, in one station by close to 50 per cent.

On Monday, November 19, Fire Chief Dennis Fisher told the Administration/Finance/Fire Committee that the total number of calls from November 1 last year to October 31 reached 413.

"That's quite a few, more than one a day," the Chief said.

Station One in Smithville had 292 calls, 26 in October alone. There were 98 calls at Station Two in Caistor Centre, up from 62 last year, and 23 calls to Pelham.

Why, asked Alderman Mike Rehner, was there a jump?

"We had a lot more medical assist calls," Chief Fisher said. "We had nine structure fires."

He said vehicle accidents accounted for quite a few as well, with about five fatalities among those.

NEW FIRE HALL

In other discussion, the committee looked at a recommendation from Chief Fisher for surveying the site of the old water pumping station, tendering the station's demolition and a preliminary concept for a new fire hall on the site. The pumping station is located on Township-owned land on the south side of the existing fire

hall.

The chief's report stated that the current fire hall, which is part of the Town Hall building is 46 years old and the increase in fire calls and the need for more equipment means the fire department is outgrowing the hall.

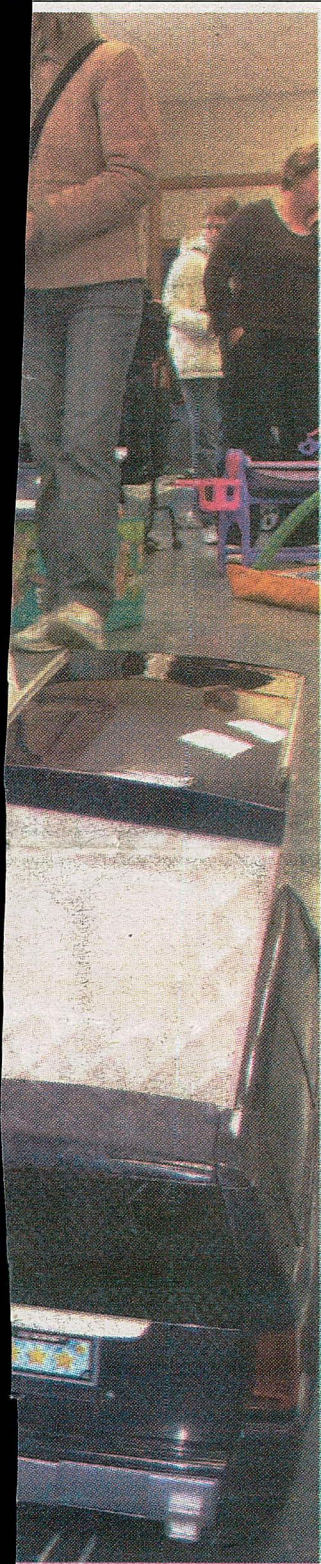

"With the need for a new rescue vehicle within the next six years, there are serious concerns whether there will be enough room to accommodate the required equipment in the existing main Fire Hall," his report stated. "There are also several fire and building code issues that have been identified with the current facility that are difficult to address given the limited space available."

As well, he said, the attached Township office is at capacity, and the pumping station, which was used for storing Township records, leaks and floods and now is of no practical use.

Chief Fisher told the committee that newer fire trucks are getting larger all the time and require a larger hall. One reason is new legislation that no longer permits side-mounted seating for the firefighters. Seats must be mounted front and rear, he said, "so the cabs are bigger."

"You'll get to the point where the front part of the truck will be at the fire and the back part will be at the fire hall!" Ald. Rehner said.

Santa accepting letters through Canada Post

Sue White places some of the early letters for Santa into a post office box at the Grimsby Canada Post office. This year Santa is expected to receive more than one million letters from across Canada through Canada Post.

Canada Post is preparing for an influx of mail from the big guy in the red suit.

The jolly old elf himself, Santa Claus, is expected to receive more than one million letters through Canada Post this year, plus thousands of letters through the Canada Post website.

"We have Santa's special helpers helping with the replies," says Sue White, of the Canada Post office in Grimsby.

Santa is so popular that Canada Post, because of the amount of mail that passes through the North Pole Post Office, has been named the Guinness World Records Holder for the most letters received and replied to by mail.

For 26 years now, Canada Post has officially helped Santa respond to more than 15 million letters from children. Santa has received more than one million letters each year for the past six years, and Santa doesn't expect this year to be any different. Even Santa's computer is kept busy this time of year as many children (more than 44,000 last year) write to Santa through his website at canadapost.ca/santacorner.

More than 11,000 current and retired Canada Post employees, affectionately called Postal Elves, help Santa to ensure that

every child's letter gets an answer in the language in which the letter was written, including Braille. Santa reminds all his young friends that it is very important to include a complete return address, so that Canada Post can deliver his reply. Children can send their letters to Santa at:

SANTA CLAUS
NORTH POLE H0H 0H0
CANADA

Children can also visit canadapost.ca/santacorner where they can send an e-mail to Santa and discover many fun activities including a podcast from Santa and a glimpse into life at the North Pole through Santa's diary.

Letters, said Ms. White, will also be collected during the Santa Claus parade in Grimsby, on Saturday, December 2. The Smithville post office will also be collecting letters during the parade in West Lincoln — Saturday, Nov. 24.
