Dear Registrar,

**Re: CONFIDENTIALITY REQUEST – File No. EB-2022-0178**

We are today filing Formet’s responses to interrogatories of the applicant.

Formet’s responses to interrogatories of the applicant contain the following information which we respectfully request be kept confidential pursuant to Rule 10.01 of the Board’s *Rules of Practice and Procedure* and consistent with the Board’s Practice Direction on Confidential Filings revised December 17, 2021:

<b>Information</b>	<b>Specific Page(s) Redacted</b>	<b>Presumptive Confidential Category</b>	<b>Other Basis for Confidentiality Claim</b>
Information about the load profile, energy usage and billing information of Formet	Portions of pages 2 and 6, and enclosure.	(3) Information that would disclose load profiles, energy usage and billing information about a specific customer that is not personal information. Each page of Formet’s interrogatories of the applicant include references to the existing load profile of Formet as well as possible changes or impacts to that load	This information is Formet’s energy load profiles and sources of energy, which are its as financial and commercial information that it consistently treats in a confidential manner.

		profile going forward. One factual scenario described by Formet refers to information reflecting Formet's actual load profile.
