File #4

Dear Kirsten Walli
 Re: EB_2007_0691

We wish to hereby notify the Ontario Energy Board that Allus Power wishes to seek intervenor status and wishes to impress upon the Board that a full oral hearing will we believe allow for an open , transparent and full dialogue between all the parties concerned and especially the community of Chatham_Kent. While a written hearing will provide for some of the facts to be presented we believe an oral hearing where all parties along with the Board have an opportunity to ask questions of the proponent and of the interested parties.

It is our view that this is an important matter and therefore every opportunity to have an open dialogue will be most helpful for the Board to render its decision.

Mr. Fontana:

The Notice of Hearing would have been served to you by Kruger.

The attached document is what you should have received. Also attached is the letter of direction to Kruger.
