Re: Vulnerable Energy Consumers Coalition (VECC) – Cost Claim Filing Extension

On June 27, 2023, the Ontario Energy Board (OEB) issued its Decision and Order in this proceeding which among other matters established dates for the filing of cost claims for cost eligible parties.

On July 4, 2023, VECC filed a letter requesting the OEB accept its cost claim if filed after the July 4, 2023 deadline. VECC explained that the delay in filing was due to summer holiday conflicts, including the closing of the Public Interest Advocacy Centre administrative offices for the first two weeks of July.

The OEB grants VECC's request. The OEB has accordingly revised the dates for the filing of cost claims and any objections as shown below:

1. VECC shall submit its cost claim for its participation in the proceeding no later than **July 19, 2023**.
2. Ontario Power Generation Inc. shall file with the OEB and forward to all parties any objections to VECC's claimed costs no later than **July 26, 2023**.

All other dates established in the Decision and Order remain unchanged.

Yours truly,

Nancy Marconi
Registrar
