Dear Ms. Walli,

Re: Peninsula West Utilities Ltd.
File # 2007-0870
2008 (IRM) Rate Application

In regards to our 2008 rate submission it is necessary to remove the Deferred Projects Recovery from each customer class.
This applies to the following:

Residential Urban	\$/kWh	0.0002
Residential Suburban	\$/kWh	0.0001
General Service L50kW	\$/kWh	0.0001
General Service 50 to 4,999kW	\$/kWh	0.0493
Unmetered Scattered Load	\$/kWh	0.0001
Sentinel Lighting	\$/kW	0.0418
Street Lighting	\$/kW	0.0353

We mistook the rate base adjustment that was approved for our 2006 rates with the rate rider that was also approved at the same time.

The rate rider should only have been implemented for the one year and that is why it is imperative to extract this rate from our 2008 rate application.

We apologize for this misunderstanding and if you require further information please contact:

Pamela Crump pamela@penwest.on.ca

Yours truly,

Karen Bubish
