**NOTICE OF APPLICATION AND WRITTEN HEARING
FOR AN
ELECTRICITY DISTRIBUTION RATE CHANGE
West Perth Power Inc.**

The Ontario Energy Board has received an application on November 01, 2007 under section 78 of the Ontario Energy Board Act, 1998, S.O. 1998, c. 15 (Schedule B), seeking approval for changes to the rates that West Perth Power Inc. charges for electricity distribution, to be effective May 1, 2008. The Board has assigned the application file number EB-2007-0871. The Board's decision on this application may have an effect on all of West Perth Power Inc.'s customers.

Any change to the rates that West Perth Power Inc. charges for electricity distribution will be reflected in the delivery charges. Delivery charges are one of four regular items on residential and general service customers' electricity bills and vary depending on the amount of electricity consumed.

West Perth Power Inc. indicates that if the application is approved as filed, a residential customer consuming 1,000 kWh per month would experience an approximate 2.4% decrease in the electricity bill. A small general service customer consuming 2,000 kWh per month and having a monthly demand of 50 kW or lower would see an approximate 2.4% decrease in the electricity bill.

How to see West Perth Power Inc.'s Application

Copies of the application are available for inspection at the Board's office in Toronto and on its website, www.oeb.gov.on.ca, and at West Perth Power Inc.'s office.

Any objections to a written hearing must be received by the Board and copied to the applicant at the addresses below no later than December 4, 2007. The Board will not be awarding costs in this matter.

Anyone who wishes information and material from the applicant that is in addition to the evidence filed with the Board and that is relevant to the hearing, shall request it by written interrogatories filed with the Board and delivered to the applicant on or before December 18, 2007. The applicant shall file with the Board complete responses to the interrogatories and deliver them to all parties who asked interrogatories no later than January 7, 2008.

Anyone who wishes to make a submission on the application must file that written submission with the Board and deliver it to the applicant by January 21, 2008.
