Ms. Nancy Marconi  
Ontario Energy Board  
2300 Yonge Street, 27th Floor  
Toronto, ON M4P 1E4

Dear Ms. Marconi:

**Re: Enbridge Gas Inc. (“EGI”) Application for 2024-2028 Natural Gas Distribution Rates (EB-2022-0200) (“Proceeding”)  
Ontario Energy Board (“OEB”) Hybrid Hearing Participation**

We represent the Association of Power Producers of Ontario (“APPrO”) in relation to the above-noted Proceeding. On June 23, 2023, the OEB issued Procedural Order No. 6 convening a hybrid hearing from July 13, 2023 to August 3, 2023. APPrO understands that some days of the oral hearing will be held virtually when expert witnesses of Enbridge Gas, OEB staff and intervenors are scheduled to testify on issues related to energy transition, cost of capital, and depreciation.

On July 4, 2023, the OEB requested that parties to the Proceeding provide time estimates for cross-examination of Enbridge’s witnesses and intervenor expert witnesses by end of day on July 7, 2023.

Please see below for APPrO’s time estimates for cross-examination. APPrO’s preference is to attend in-person and requests that the OEB set out the dates the oral hearing will be held virtually only.
