**REVISED
LETTER OF DIRECTION**

Dear Ms. Heinz:

**Re: Ontario Power Authority
Fiscal 2008 Expenditure and Revenue Requirement Submission for Review
Board File No. EB-2007-0791**

The Board issued its Notice of Application and Hearing (the "Notice") and a Letter of Direction on December 6, 2007 in the above matter. This is a Revised Letter of Direction which replaces the Letter of Direction dated December 6, 2007. The Revised Letter does not direct the OPA to have French and English versions of the Notice e-mailed to all market participants and interested parties who are registered to receive OPA news and other communiqués. The remaining directions are unchanged.

You are directed:

1. To immediately have the English Notice published, headed with the Ontario Government logo and the words "Ontario Energy Board", in the Business section of one edition of the Globe and Mail;
2. To immediately have the French Notice published, headed with the Ontario Government logo and the words "Commission de l'énergie de l'Ontario" in one edition of Le Droit;

3. To immediately serve on all registered intervenors for the OPA's 2007 Revenue Requirement Submission, a copy of the Notice including the pre-filed evidence;
4. To file with the Board, affidavit evidence proving the above publications, notification and service immediately upon completion;
5. To immediately provide a copy of the Application to any party granted intervenor or observer status, upon request;
6. To make available a copy of the Application for public viewing at your offices;
7. To immediately have the Notice posted, headed with the Ontario Government logo and the words "Ontario Energy Board", along with your pre-filed evidence on the OPA website.

Yours truly,

Kirsten Walli
Board Secretary
