Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas, or the Company)
EB-2022-0200 – 2024 Rebasing – Phase 1 Oral Hearing Undertaking
Response**

Enbridge Gas filed its 2024 Rates Application and the majority of its supporting evidence on October 31, 2022 and the balance of its evidence on November 30, 2022. In this Application, Enbridge Gas requests approval of rates for the sale, distribution, transmission, and storage of gas commencing January 1, 2024. Enbridge Gas also applies for approval of an incentive rate-making mechanism (IRM) for the years from 2025 to 2028.

In Procedural Order No. 6 the OEB made a provision for an Oral Hearing to be held July 13, 2023 and end August 3, 2023. If necessary, the hearing will continue until August 11, 2023. On Day 2 of the hearing, July 14th, a witness from Guidehouse on Enbridge Gas Panel 1 agreed to provide a response to Undertaking J2.7 as soon as possible, with a recognition that there may be further information to be provided later for this response.

Enbridge Gas will post the response to Exhibit J2.7 on its website at www.enbridgegas.com/about-enbridge-gas/regulatory. Enbridge Gas will send a copy of this letter, and a link to the website page, to all parties to the proceeding.

Should you have any questions, please let us know.

Sincerely,

Vanessa Innis
