Dear Ms. Walli

**Re: Consultation on Issues Relating to Low Income Consumers  
Board File No.: EB-2008-0150  
Enbridge Electric Connections Inc.**

---

We are counsel to Enbridge Electric Connections Inc. ("EECI").

In accordance with the Ontario Energy Board's ("OEB") August 11, 2008 letter in the above matter, we advise that EECI currently intends to make a presentation at the stakeholder conference, commencing September 22, 2008. EECI reserves the right to raise further and ancillary matters and/or issues beyond those raised in Appendix "A" to the OEB's letter.

EECI currently intends in its presentation to deal with relevant practical and jurisdictional issues which arise in the case of licenced smart sub-metering entities that carry on business within multi-unit buildings located on private property.

Yours very truly,

AIRD & BERLIS LLP
