Subject: EnviroCentre presentation

Dear Sir/Madam,

Please be advised that EnviroCentre wishes to make a presentation during the Low-Income Consultation Process.

EnviroCentre shares many concerns of organizations that work with low-income consumers and plans to complement or clarify information that is presented during the conference. Its presentation will focus, however, on how these concerns can be dealt with in a way that provides an incentive for all consumers and distributors to conserve energy.

Based on its experience helping over 1,500 low-income households in Ottawa reduce their energy consumption and bills, EnviroCentre plans to present both general information and specific points, notably with regard to:

- objectives (1)
- rate-related measures (6)
- low-income CDM programs (9)
- emergency assistance programs (10)
- program funding mechanisms (11).

Please let me know if this message suffices or if an attached letter is required.

thanks,

Dana Silk, General Manager - Directeur Général, www.envirocentre.ca
