OEB File Number: EB-2023-0111**

On May 16, 2023, the Ontario Energy Board (OEB) initiated a consultation to review EPCOR's 2023 Annual Update to the Aylmer Gas Supply Plan and the three-year Gas Supply Plan for South Bruce.

On July 11, 2023, EPCOR filed its responses to questions filed by OEB staff and Pollution Probe.

OEB staff has reviewed the responses to its questions and requests the opportunity to ask a limited number of follow-up questions with respect to the responses provided by EPCOR. OEB staff can file these clarification questions by July 28, 2023. OEB staff recognizes that this request, if accepted, will require changes to the remainder of the schedule for the consultation.
