**ONTARIO ENERGY BOARD
OFFICE OF THE BOARD SECRETARY**

Attention: Ms Kirsten Walli, Board Secretary

Dear Ms. Walli:

**RE: Application of Great Lakes Power Limited,
Great Lakes Power Transmission LP and
Great Lakes Power Transmission Inc.**

Please find enclosed ten (10) copies of an omnibus application made by Great Lakes Power Limited ("GLPL"), Great Lakes Power Transmission LP ("GLPTLP") and Great Lakes Power Transmission Inc. ("GLPT"). Also enclosed are two (2) cheques in the amount of \$800.00 each with respect to the Licence Application of GLPT on behalf of GLPTLP and the Licence Amendment Application of GLPL. An electronic copy of the application will be filed under separate cover.

The application relates to the transfer of the transmission facilities of GLPL to GLPTLP. This single transaction triggers a series of legislative provisions under the *Ontario Energy Board Act, 1998*, that are set out in the relief sought in the application. The various forms of the relief sought are based upon the same set of facts and, as a consequence, are interrelated. The application is with respect to the following matters:

1. For an Order granting GLPL leave to transfer to GLPTLP: (i) its transmission system in its entirety; (ii) its current Transmission Rate Order dated December 8, 2005; and (iii) its Leave to Construct Order from RP-2003-0120/EB-2003-0162;
2. An Application by GLPT (general partner of GLPTLP) on behalf of GLPTLP for a license to own and operate a transmission system; and
