Dear Sir/Madames:

RE: File EB-2022-0157 and EB-2022-0285

By Procedural Order No. 1, dated August 12, 2022, intervenor status was granted to Courey Corporation and Middle Road Farms Limited as represented by Paul Courey, Courey Law Professional Corporation, 18 Queen Street South, Box 178, Tilbury, ON N0P 2L0, telephone 519-682-1644, email mail@coureylaw.com.

We write to advise that we have been retained by Courey Corporation and Middle Road Farms Limited to act as their representative in the above-noted matters. By copy of this correspondence to the Applicant, Enbridge Gas Inc., we put them on notice of said change.

As a matter of housekeeping, we expect Courey Corporation and Middle Road Farms Inc. to have intervenor status in OEB file number EB-2022-0285 by operation of Procedural Order No. 1 in file number EB-2022-0157, as the more recent application would appear to be subsumed within the older application. In the event such is not the case, we would ask that you kindly treat this correspondence as a request for intervenor status in OEB file number EB-2022-0285. We also ask that this communication be treated as Notice of Request for Intervenor Funding.

Yours truly,
Legal Focus LLP
