

**Renfrew Hydro Inc.**

**Application for electricity distribution rates and other  
charges beginning January 1, 2024**

**Decision on Issues List  
July 25, 2023**

Renfrew Hydro Inc. (Renfrew Hydro) filed a cost of service application with the Ontario Energy Board (OEB) on May 24, 2023 under section 78 of the *Ontario Energy Board Act, 1998*, seeking approval for changes to the rates that Renfrew Hydro charges for electricity distribution, beginning January 1, 2024 (Application). The Application was accepted by the OEB as complete on June 7, 2023, and a Notice of Hearing was issued on June 14, 2023.

On July 7, 2023, the OEB issued Procedural Order No. 1 which approved the Vulnerable Energy Consumers Coalition as an intervenor in this proceeding. Procedural Order No. 1 also made provision for parties to recommend any revisions to the standard Issues List for electricity distribution rate applications for the OEB's consideration.

On July 12, 2023, OEB staff filed a proposed Issues List, in accordance with Procedural Order No. 1. OEB staff's letter indicated that all parties agreed with the standard Issues List. In addition, OEB staff's letter requested that the OEB waive the requirement under rule 26.02(e)(ii) of the *Rules of Practice and Procedure* that interrogatories correspond to the issues list as parties may want to file interrogatories according to the exhibit numbers in the Application.

OEB staff's July 12, 2023 letter also advised that parties may wish to propose additional matters for inclusion on the issues list after the interrogatory responses are received, given the proposed Issues List was prepared prior to the interrogatory process.

**Findings**

The OEB has reviewed the proposed Issues List and approves it for the purposes of this proceeding. The OEB has also considered the request to file interrogatories according to exhibit numbers and approves that request as well for this proceeding.

The OEB may update the Issues List as necessary to further define the scope of the proceeding.

The approved Issues List is attached to this Decision as Schedule A.
