Re: Request for Interim Rates Effective May 1, 2008 - Chapleau Public Utilities Corporation.

Dear Ms. Walli;

Chapleau Public Utilities Corporation has recently applied for new Electricity Distribution Rates, new Transmission Rates, new Distribution Loss Factors, new Low Voltage Rates and new Regulatory Asset Rates effective May 1, 2008. It would appear that approval of these rates will not occur until after May 1, 2008, therefore Chapleau Public Utilities Corporation requests the Ontario Energy Board approve our current rates as interim rates effective May 1, 2008.

If you require additional information please do not hesitate to contact me at 705-864-0111.

Respectfully submitted,

Marita Morin
Secretary and Treasurer
