NOTICE OF APPLICATION AND WRITTEN HEARING FOR AN ELECTRICITY DISTRIBUTION RATE CHANGE

Ottawa River Power Corporation

The Ontario Energy Board has received an application on November 6, 2008 under section 78 of the *Ontario Energy Board Act, 1996*, S.O. 1996, c. 15 (Schedule B), seeking approval for changes to the rates that Ottawa River Power Corporation ("Ottawa River Power") charges for electricity distribution, to be effective May 1, 2009. The Board has assigned the application file number EB-2008-0206. The Board's decision on this application may have an effect on all of Ottawa River Power's customers. The application was filed under the Board's guidelines for 2nd Generation Incentive Regulation, which provides for a mechanistic and formulaic adjustment to rates between cost of service applications.

Any change to the rates that Ottawa River Power charges for electricity distribution will be reflected in the delivery charges. Delivery charges are one of four regular items on residential and general service customers' electricity bills and vary depending on the amount of electricity consumed.

Ottawa River Power indicates that if the application is approved as filed, a residential customer consuming 1,000 kWh per month would experience an approximate 7.3% increase in their delivery charges. This is a \$2.37 increase per month on their bill. A small general service customer consuming 2,000 kWh per month and having a monthly demand of 50 kW or lower would experience an approximate 6.6% increase in their delivery charges. This is a \$3.75 increase per month on their bill.

How to see Ottawa River Power's Application

Copies of the application are available for inspection at the Board's office in Toronto and on its website, www.oeb.gov.on.ca, and at Ottawa River Power's office and may be on its website.

If you object to a written hearing in this matter, you must provide written reasons why an oral hearing is necessary. Any objections to a written hearing must be received by the Board and copied to the applicant at the addresses below no later than December 17, 2008. The Board will not be awarding costs in this matter.

Anyone who wishes information and material from the applicant that is in addition to the evidence filed with the Board and that is relevant to the hearing shall request it by written interrogatories filed with the Board and delivered to the applicant on or before January 5, 2009. The applicant shall file with the Board complete responses to the interrogatories and deliver them to all parties who asked interrogatories no later than January 19, 2009.

Anyone who wishes to make a submission on the application must file that written submission with the Board and deliver it to the applicant by February 2, 2009.
