Dear: Sir and Madams:

**Re: Application by Hydro One Networks Inc. for Authority to Expropriate
Interest in Certain Lands – Woodstock, ON**

We are the solicitors for Andrew Streutker and Edward Tuns, the owners of properties identified on the Notice of Application as Property 1 and Property 4. This letter will serve as a request for intervener status for our clients, Streutker and Tuns.

Our clients are the owners of the lands over which the easement is sought.

We are in the process of engaging the services of an experienced land use planner to advise our clients as to the alternatives to the taking proposed by Hydro One Networks Inc. As soon as we have this information we will advise you.

The contents of this correspondence may include information that is subject to client/solicitor privilege and/or to provisions under PIPEDA. Any and all rights to the client/solicitor privilege are expressly claimed and not waived. If you have received this correspondence in error, we would ask that you please destroy any and all contents and notify us immediately by telephone (519) 672-9330 of the error.

We would prefer an oral hearing in anticipation of the planning advice that we will receive and we will seek costs on behalf of our clients since it is apparent that Hydro One Networks Inc. had alternatives which would have avoided any necessity of acquiring an interest from our clients.

Would you be so kind as to acknowledge receipt of our notice of intervention. Copies, of course, are being forwarded to Counsel and Hydro One Networks Inc.

Yours truly,

COHEN HIGHLEY LLP
