Dear Ms. Walli:

Re: Oshawa PUC Networks Inc. (ED 2002-0560)
Board File Number EB-2007-0710

On December 14, 2007 Oshawa PUC Networks Inc. filed our responses to the Interrogatories from VECC concerning our 2008 Rate Application. This morning we received notification that not all of these questions had been answered. After checking into the matter, we have determined that we did not retrieve all of the questions originally due to some kind of technical error which we have been unable to identify. However, we were able to retrieve the remaining questions this morning.

We are currently working on the answers to the remaining questions and believe that they will be submitted by the December 21.

Oshawa PUC Networks Inc. regrets this error and apologizes to the Board for it.

Yours truly,

Michael Chase
Corporate Controller
