Dear Mr. Manning:

**Re: Ontario Power Authority Application for Approval of the Integrated Power
System Plan and Procurement Process
Board File No. EB-2007-0707**

In correspondence to the Board dated September 2, 2008, the National Chief's Office on behalf of the Assembly of First Nations requested further time to file replies to Board Staff interrogatories on NCO evidence.

The NCO noted that the Board's Decision on Motions dated July 29, 2008 ordered the OPA to reply to a modified form of NCO's interrogatory concerning the impact of the IPSP on Aboriginals lands. As the OPA's reply was filed on August 29, 2008, and as the reply may be relevant to the NCO's reply to Board Staff's interrogatories, an extension was requested.

It is important to have a complete record on this issue. The Board will grant an extension. Replies to Board Staff interrogatories must be filed by September 8, 2008.

Yours truly,
