Dear Mr. Madden:

**Re: Ontario Power Authority Application for Approval of the Integrated Power
System Plan and Procurement Process
Board File No. EB-2007-0707**

In correspondence to the Board dated September 2, 2008, the Métis Nation of Ontario requested further time to file replies to Board Staff interrogatories on MNO evidence.

The MNO noted its request for extension is similar to a request from the Assembly of First Nations. The request is based on interrogatory response recently filed by the OPA concerning the impact of the IPSP on Aboriginal lands. As the OPA's response may be relevant to the MNO's reply to Board Staff's interrogatories, an extension was requested.

It is important to have a complete record on this issue. The Board will grant an extension. Replies to Board Staff interrogatories must be filed by September 8, 2008.

Yours truly,
