ONTARIO ENERGY BOARD
OFFICE OF THE BOARD SECRETARY

Dear Ms. Walli:

Re: Nishnawbe Aski Nation re: Hydro One Remote / DMC File 00494 / EB-2008-0232

As the Board is aware, I act for the Nishnawbe Aski Nation ("NAN") in the above-mentioned proceeding. I have received a copy of Energy Probe's Final Argument for the above-mentioned hearing. Unfortunately, until I received that document, I was not aware of the Board's Procedural Order No. 2 requiring that written submissions from intervenors be delivered by March 12, 2009.

As a result of oversight at my office, it appears that Procedural Order No. 2 did not come to my attention and for that I apologize to the Board and the other parties to the proceeding.

I am writing to request that the Board grant my client an extension until the close of business on Wednesday, March 25, 2009, to file its written submission with the Board, and to serve same on the other parties.

At this time, I would also ask that the Board and other parties update my email address.

I am no longer using dmc@cunningham-gillespie.com because, as of January 1, 2009, I established my own practice. The two email addresses to which materials or communications from the Board or other parties can be sent to me are as follows:

douglasmcunningham@gmail.com

dc@douglascunningham.com

I look forward to hearing from the Board and, once again, apologize for any inconvenience that may have been visited upon the Board or any other party to the proceeding. Thank you.

Yours very truly,
