**Re: Integrated Resource Planning Technical Working Group -
Membership Change
Ontario Energy Board File Number: EB-2021-0246**

Due to accepting a new position at the Independent Electricity System Operator, Amber Crawford, previously with the Association of Municipalities of Ontario, will no longer be participating on the Integrated Resource Planning (IRP) Technical Working Group as a non-utility member. The OEB thanks Ms. Crawford for her contributions to the work of the IRP Technical Working Group.

The OEB has selected Dave Gordon, Senior Advisor, Association of Municipalities of Ontario, as a replacement member on the IRP Technical Working Group, effective immediately.

An updated membership list for the IRP Technical Working Group is included as Appendix A.

Any questions related to the IRP Technical Working Group should be directed to Michael Parkes at Michael.Parkes@oeb.ca.

Yours truly,

Nancy Marconi
Registrar
