Dear Ms. Marconi,

RE: Electricity Generation License Renewal Application- FortisOntario Inc. (EG-2003-0107)

FortisOntario Inc. (FortisOntario) is pleased to provide the attached Generation License Renewal Application.

We note that certain questions require information regarding the affiliates of FortisOntario. For simplicity and efficiency, FortisOntario has provided answers focusing on the Ontario affiliates of FortisOntario. FortisOntario is a subsidiary of Fortis Inc., which is in turn involved in the utilities sector in various jurisdictions in North America. It would be inefficient to compile detailed information with respect to each affiliated entity outside of Ontario. Accordingly, for example, the information in Section 15 has been provided to the best of our knowledge.

We trust the information provided is sufficient to demonstrate that FortisOntario is well-equipped to continue to operate its generation facilities in a responsible manner. Should any further information be required, please do not hesitate to contact the undersigned.

Sincerely,

Oana Stefan
