Dear Mr. Thompson:

Re: **Ontario Power Generation Inc.**
2008-2009 Lennox GS Reliability Must-Run Agreement
Board File No. EB-2008-0298

The Board confirms Canadian Manufacturers & Exporters ("CME") as an intervenor in the above noted proceeding.

The Board has determined that CME is eligible to apply for an award of costs under the Board's Practice Direction on Cost Awards.

The Practice Direction and related forms are available on the Board's website at www.oeb.gov.on.ca.

The granting of both the intervention request and the eligibility for cost awards is subject to Ontario Power Generation's right to object to your requests within 10 days of the mailing of this letter.

In its Procedural Order No. 1 dated October 17, 2008, the Board set out parameters relating to the scope of this proceeding. The Board expects intervenors to focus their participation in this proceeding on issues that are in scope, and also expects intervenors to coordinate their efforts and avoid duplication to the maximum extent possible.

Yours truly,

John Pickernell
Assistant Board Secretary
