IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application by 2167308
Ontario Inc. as general partner on behalf of Marsh Line
Wind Farm Limited Partnership for an electricity
generation licence.

By delegation, before: Jennifer Lea

DECISION AND ORDER

2167308 Ontario Inc. as general partner on behalf of Marsh Line Wind Farm Limited Partnership filed an application dated May 23, 2008 with the Ontario Energy Board under section 60 of the *Ontario Energy Board Act, 1998* for an electricity generation licence as a Standard Offer Program participant.

The Board's Notice of Application and Written Hearing for an electricity generation licence was published on July 11, 2008. There was one response to the Notice of Application and Written Hearing. On July 28, 2008, Hank Rowlinson, Manager Community Relations, Metis Nation of Ontario requested information with respect to the location of the generation facilities. The Board provided it to him on the same day. No further correspondence was received from Mr. Rowlinson.

After considering the application, I find it to be in the public interest to issue the electricity generation licence under Part V of the Act.

IT IS THEREFORE ORDERED THAT:

The application for an electricity generation licence is granted, on such conditions as are contained in the attached licence. It is also a condition of this order that the applicant comply with the terms of the connection agreement for a small embedded generation facility or a mid-sized embedded generation facility as set out in Appendix E to the Distribution System Code.

DATED at Toronto, August 28, 2008.

ONTARIO ENERGY BOARD
