**Re: Intervention -Union Gas Limited
Panhandle Reinforcement Project
Board File Number #EB-2016-0186**

Liberty Oil & Gas Limited ("Liberty") owns and operates oil and gas wells in the Pain Court area of Southwestern Ontario. Natural Gas produced from the field is delivered to Union Gas Limited ("Union") through a connection to the Panhandle Pipeline. The company's interest in the proceeding centres on pipeline operations, the impact on the delivery point during the construction period and may be expanded after review of the evidence.

Liberty hereby requests to be granted intervenor status and may wish to take an active role in the hearing. Liberty requests that copies of all evidence be forwarded to its office at the address below.
