Dear Mr. Mir:

Re: Approved Supplementary Prices and Structures for Electricity Pricing Pilots
Board File No.: EB-2016-0201

Your utility has had an electricity price pilot approved by the Ontario Energy Board (OEB) further to the OEB's November 16, 2015 [Regulated Price Plan Roadmap](#) and July 18, 2016 [Guidelines for Pilot Projects on RPP Pricing](#).

This letter is to advise you that the OEB has approved the structure and electricity rates for a supplementary price plan that is applicable to the price pilots that the OEB has approved for your utility. The approved supplementary structure and rate are available on the OEB's website at <https://www.oeb.ca/sites/default/files/letter-rpp-roadmap-approved-supplementary-price-structure.pdf> and are to be used in your approved price pilot as applicable.

Sincerely,

A handwritten signature in purple ink, appearing to read "M. Aldred".
