### BY RESS FILING

Ontario Energy Board  
Attn: Ms. Nancy Marconi, Registrar  
P.O. Box 2319  
2300 Yonge Street, 27<sup>th</sup> Floor  
Toronto, Ontario, M4P 1E4

Dear Ms. Marconi:

**Re: EB-2022-0157– Enbridge Gas Inc. (“Enbridge Gas”). – Panhandle LTC Application – Request for Late Intervention by the City of Kitchener (“Kitchener”)**

Kitchener wishes to participate in the above proceeding and respectfully requests late intervenor status. With Enbridge’s recent capital update information filed as part of its 2024 rebasing application, Kitchener became aware of this amended application. Kitchener understand that there is material increase in project costs.

Kitchener is an embedded gas distributor in the Union South franchise territory and receives storage and transportation services under Rates T3. Based on current cost allocation, Kitchener will be impacted by the proposed project and related costs in this Application. Hence, Kitchener respectfully asks the Board to approve this request of late intervention and states that it will participate without the proceedings being delayed or the schedule fixed by the Board being revised.

Kitchener hereby requests that the Board, Enbridge Gas Inc., and all other intervenors provide it with copies of all evidence and correspondence related to the Application and the Hearing. Please direct all correspondence to:
