Dear Ms. Marconi,

**Re: Electricity Distribution License ED-2003-0004
2021 Cost of Service Application (EB-2020-0007) Approved Settlement Agreement
Distribution Losses Plan Submission**

Burlington Hydro's 2021 Cost of Service Application (EB-2020-0007) was approved by the Ontario Energy Board ("OEB") in April 2021. As part of the approved Settlement Proposal, Burlington Hydro committed to preparing a plan to reduce distribution losses as much as possible through cost-effective measures, and to file the plan with the OEB.

Burlington Hydro is filing its distribution losses plan through the OEB's Regulatory Electronic Submission System, in accordance with the approved Settlement Proposal.

Yours truly,

Adam Pappas
Director, Regulatory Affairs, Supply Chain & Capital Planning
