Dear Mr. Koekkoek:

**Re: Orangeville Hydro Limited (Orangeville Hydro)
Delay in Filing 2024 Cost of Service Application
Ontario Energy Board File Number: EB-2023-0045**

This letter is in response to your letter dated August 18, 2023, informing the Ontario Energy Board (OEB) of a delay in the filing of Orangeville Hydro's 2024 cost of service application from August 31, 2023, to on or before September 29, 2023.

Per Orangeville Hydro's letter dated [January 25, 2023](#), that confirmed its intent to file the Cost of Service rate application for May 1, 2024 rates, and the OEB's letter dated [December 1, 2022](#), that provided the schedule for the filing of 2024 cost of service applications, Orangeville Hydro's application was expected to be filed with the OEB by August 31, 2023. While the OEB appreciates the challenges identified by Orangeville Hydro in preparing its application, please be advised that any delays to the filing of Orangeville Hydro's application could affect the timing of the OEB's final decision in this matter and the implementation of rates on May 1, 2024.

Any questions regarding this matter should be directed to [Darryl Seal](#), Manager, Major Rate Applications and Consolidations.

Yours truly,

Nancy Marconi
Registrar
