Issues:

SEC is materially impacted by the application as its members are customers of the Applicant. Issues of interest include ensuring the proposed ICM meets the established criteria, as well as the Applicant's proposed adjustment to the methodology to calculate the materiality threshold.

Policy Interests:

N/A

Hearings:

Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.

Evidence:

While SEC does not currently intend to file evidence in this proceeding, it reserves the right to do so depending on the responses to interrogatories and any other discovery processes ordered by the Board.

Coordination with Other Intervenors:

SEC will coordinate with other intervenors with similar interests, where appropriate, to promote responsible participation in the proceeding.

Cost Awards:

SEC applies for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC's members are customers of the Applicant and eligible for an award of costs pursuant to section 3.03(a) of the Practice Direction. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

Language Preference:

No.
