

Enbridge Gas Inc. has applied for approval to construct natural gas pipelines in the Municipality of Brooke-Alvinston and the Township of Warwick

Learn more. Have you say.

Enbridge Gas Inc. has applied to the Ontario Energy Board for approval to construct approximately 15.3 kilometres of Nominal Pipe Size (NPS) 6-inch steel pipeline, in the Municipality of Brooke-Alvinston and the Township of Warwick, in Lambton County, Ontario.

The proposed pipeline will transport renewable natural gas (RNG) produced at Waste Management of Canada Corporation's new RNG facility at the existing Twin Creeks Environmental Centre in the Township of Warwick and connect to Enbridge Gas Inc.'s existing natural gas system in the Municipality of Brooke-Alvinston. Enbridge Gas Inc. also plans to construct a renewable natural gas injection station at the Twin Creeks Environmental Centre.

Enbridge Gas Inc. states that Waste Management of Canada Corporation plans to construct and operate RNG gathering, upgrading and compression facilities at the Twin Creeks Environmental Centre which is a waste disposal, diversion and recycling facility. The new RNG facility will produce and convert landfill gas into RNG, suitable for injection into Enbridge Gas Inc.'s system. Enbridge Gas Inc. states that Waste Management of Canada Corporation will pay for the project and that it will have no cost impact on existing ratepayers.

Enbridge Gas Inc. has also applied for approval of the forms of agreements that it has offered or will offer to landowners affected by the routing or location of the proposed pipeline.

Enbridge Gas Inc. has also requested approval of a new certificate of public convenience and necessity for the Township of Warwick.

The location of the proposed project is shown on the map.

THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Enbridge Gas's application. During the hearing, we will question Enbridge Gas on the case. We will also hear questions and arguments from individual consumers, municipalities and others whose interests would be affected. At the end of this hearing, the OEB will decide whether to approve the application.

As part of its review of this application, the OEB will assess Enbridge Gas's compliance with the OEB's Environmental Guidelines for the Location, Construction and Operation of Hydrocarbon Pipelines and Facilities in Ontario.

The OEB will also assess whether the duty to consult with Indigenous Communities potentially affected by the proposed pipeline has been discharged with respect to the application.

More information on the types of issues that the OEB may consider are provided on the OEB's website in the form of a standard issues list: <https://www.oeb.ca/sites/default/files/issues-list-LTC-natural-gas.pdf>

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
